STEVEREYNOLDSRAMOS@GMAIL.COM

PROFILE:

Producer with experience leading teams of strategists, designers and engineers to craft campaigns and digital products — delivering innovative work of the highest quality that solves business goals while making a cultural impact.

EXPERIENCE:

Producer AREA 17

Oct. 2019 - Present

- Build best-in-class web products through strategy-driven client partnerships, as part of project leadership.
- Enhancing production discipline and process through documentation, templates, and internal initiatives.
- Clients include Public Media Group of Southern California, The New York Times, Zappos, and TrueCar.

Producer Stink Studios

Oct. 2017 - Oct. 2019

- Responsible for project scopes, timelines, and finances; account management and client services.
- Roster of clients includes Etsy, Google, Nike, Spotify, Sidewalk Labs, and Everytown for Gun Safety.
- Project highlights include [Everytown's "One Thing" campaign](#) for gun suicide awareness and prevention, and the [website for Sidewalk Toronto's](#) groundbreaking urban innovation proposal.

Studio Assistant Stink Studios

May 2016 - Oct. 2017

- Managed office operations and IT/AV support for our studio of 40+ staff and coordinated company events and retreats, and assisted in the design and construction of our new studio space.

Research Assistant Amherst College

June 2015 - August 2015

- Research internship in the Law & Jurisprudence / Political Science departments, focusing on the historic impact of the O.J. Simpson trial and the legacy of human rights law in American legal theory.
